

Draper 2 - School Plan 2021-2022

1. Briefly describe the School LAND Trust Plan by explaining each goal the council has identified.

GOAL #1

a. State the SPECIFIC goal including when the school will reach the goal.

By using the School Land Trust monies towards teacher's salaries and benefits, APA Draper 2 will be able to hire and retain qualified, experienced teachers and instructors to have in the classroom, leading to increased test scores from the students.

b. Highlight the academic area for this goal from the list.

Math, Reading, Science, Language Arts

c. Identify the specific measurement(s) you will use to determine if you are making progress towards the goal.

We will continue our practice of using Core Knowledge Testing in the elementary grades to measure student progress through each grade level. Our assessment goal for 2021-22 will be to improve or maintain proficiency from the 2020-21 school year test results.

d. List the specific steps of the ACTION PLAN to reach this goal.

1) American Preparatory Academy (APA) will use the allotted \$162,797.00 in LandTrust Funds to put towards salaries & benefits for teachers and instructors.

2) Teachers will use assessment data they collect throughout the year to determine mastery of Common Core State Standards (CCSS) and will teach to mastery. Academic teams will use assessment data in their decisions to make technological changes to their content delivery and online practice time.
